

## Submission to the Medical Board of Australia:

May 2016

### CONSULTATION ON THE DRAFT REVISED REGISTRATION STANDARD FOR SPECIALIST REGISTRATION

The Australasian College for Emergency Medicine (ACEM) welcomes the opportunity to provide feedback on the draft revised *registration standard for specialist registration*, proposed by the Medical Board of Australia (MBA).

ACEM is a not-for-profit organisation responsible for the training and ongoing education of emergency physicians, and for the advancement of professional standards in emergency medicine, in Australia and New Zealand. As the peak professional organisation for emergency medicine in Australasia, ACEM has a vital interest in ensuring the highest standards of emergency medical care are maintained for all patients across Australasia.

ACEM considers the proposed changes to the draft revised *registration standards for specialist registration* as reasonable, and commends the MBA for its revisions, which increase the clarity of some aspects of the standard.

Thank you for the opportunity to provide feedback to the MBA consultation on the draft revised *registration standards for specialist registration*. If you require any clarification or further information, please do not hesitate to contact the [REDACTED]

Yours sincerely,

Professor Anthony Lawler  
President  
Australasian College for Emergency Medicine
